Gentlemen:

Thanks for the courtesy shown me when I spent the afternoon in your building recently.

You have my application blank which I left with you filled out and signed, with the suggestion that you take up with Mr. Rud Kohler, 70 Fifth Ave., N.Y.C. for his recommendation.

Since that date I have called on Mr. Kohler and he says he will be glad to sign this Blank if you will submit it to him.

It is hoped that my membership will be passed upon at your first meeting of those qualified to do so. If you will bill me, as you suggested at the address given below, my residence, you will be in prompt receipt of remittance covering.

You have very wonderful building and displays and I sincerely hope that at some time in the future I may be of some benefit to your society as a member. I am positive that you can be of great benefit to me.

Hoping to be in receipt of advise of membership at an early date and to make the personal acquaintance of your officers at some of my frequent trips to N.Y.C. I am,

Very truly yours,

*Orin A. Kates*

Dear Mr. Noe:

Answering your favor asking for reference concerning Mr. Orin A. Kates, of Coldwater, Mich., have to say that I know him but a short time. He first called on me on Apr. 10th. and bought quite a bill from me and I accepted his check on Coldwater, Mich. which was duly paid. On the 15th. he came in again and bought a bill, for which he also paid by check, which was duly honored. Last week he came in again and bought another bill, which he paid in cash. This I think speaks well for the man and shows that he must be reliable. My opinion is that he will be a desirable member.

I presume that he left you his card, which states that he is the Sales Manager for the "Brown Rubber Co." of Lafayette, Ind.

This is the best information that I can give you and I feel that the same will be satisfactory.

Yours very truly,

*R. Kohler*
